Served as coffee. the new coffee substitute known to grocers everywhere as Dr. Shoop's Health Coffee, will trick even a coffee expert. Not a grain of real coffee in it either. Pure healthful toasted grains, malt, nuts, etc. have been so cleverly blended as to give a wonderfully satisfying coffee taste and flavor. And it is "made in a minute," too. No tedious 20 to 30 minutes boiling. Sold by all Grocers.

Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had.

For stomach distress, bloating, biliousness, bad breath and sallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.

Will Everett Dead.

Will Everett, the twenty-three year old son of B. Y. and Anna Everett, died near Springfield at 7 o'clock in the evening, Thursday, July 31, 1909.

He has been suffering from consumption a long time, being bed-ridden since the first of last April. Thinking life in the open air would be beneficial to him his mother and brother John started with him in a wagon for a trip through the country just a week before his death. He seemed to be doing very well up to supper time Thursday night when he was seized with a strangling spell and died within an hour. They were camped at the time about four miles out of Springfield.

The body was prepared for burial, shipped to Branson by the Missouri Pacific and brought to Forsyth Friday. The funeral was held at the Ragsdale cemetery Saturday, Rev. Ball conducting the services.

Will was a very promising young man, and the family have the sympathy of the neighborhood on account of his untimely death.

If he can Forsyth will be glad to have him and his boat and will patronize them liberally.
